**ESTIMATED DATE OF COMPLETION OF PROJECT(S)** \_\_\_\_\_

**(Project will be reviewed by one or more members of the ARC on completion to assure it complies with submitted information.)**

Disclaimer: These plans will be reviewed for the limited purpose of determining the aesthetic compatibility of the plans within the community. No review will be made with respect to functionality, safety, and compliance with governmental regulations or otherwise and any party with respect to such matters should make no reliance on this approval. The approving authority expressly disclaims liability of any kind with respect to these plans, the review hereof, or any structures built pursuant hereto, including, but not limited to, liability for negligence or breach of express or limited warranty.

The Owner is responsible to obtain whatever easements, permits, licenses and approvals may be necessary to improve the property in accordance with approved plans. Any approval must not be considered to be permission to encroach on another property owner's rights to use and enjoy all possible property rights. Approval of the plans does not constitute a warranty or representation by the Architectural Review Board.

In addition, approval does not in any way grant variances to, exceptions, or deviations from any setbacks or use restrictions unless a specific letter of variance request is submitted and the party entitled to enforce such setbacks or restrictions issues a specific letter of "variance approval". This approval does not constitute approval of any typographical, clerical, or interpretative errors on the submitted plans. Compliance with all applicable building codes is the responsibility of the owner and not that of the Architectural Review Board. The Owner is responsible for positive drainage during and after the construction of the lot. No water drainage is to be diverted to adjoining lots, common areas or wetlands.

Compliance with all approvals is the responsibility of the Owner and any change to the approved plans without prior Architectural Review Board approval subjects these changes to disapproval and enforced compliance to the approved plans may result.
